Bill HB 5408

Dear Members of the Public Safety and Security Committee,

I am writing in support of HB 5408. The right to carry a gun comes with responsibility. Allowing police officers to check for a valid permit is nothing but a common sense procedure that will protect everyone's safety and well-being. How this can be controversial is unfathomable.

Thank you for voting to support this important legislation. Sincerely,
Sophia deBoer
